What is FATCA / CRS?

The U.S. government introduced the Foreign Account Tax Compliance Act, 2010 (FATCA) for obtaining information on accounts held by U.S. taxpayers in other countries. Further, the Organization for Economic Co-operation & Development (OECD) and G20 countries agreed for automatic exchange of information through Common Reporting Standards (CRS). The Government of India has signed an Inter-Government Agreement (IGA) with US and has also joined the Multilateral Competent Authority agreement (MCAA) for automatic sharing of information with member countries of OECD and G20. By virtue of India signing an IGA with US and joining MCAA, Indian financial institutions will have to provide the required financial information to Indian tax authorities which in turn would forward reportable information to US IRS and member countries of OECD and G20 countries.

US Person means: In case of individuals, U.S. person means a citizen or resident of the United States. Persons who would qualify as U.S. persons could be born in the United States, born outside the United States of a US parent, Naturalized citizens, Green Card Holders, tax residents.

Who is a Reportable Person (Non US) under Common Reportable Standards (CRS)? Under Common Reportable Standards (CRS), reportable person means Tax residents of a reportable foreign jurisdiction other than the U.S. (Please note the above information is provided only for quick reference to customers. You are requested to consult a legal/ tax advisor if in doubt.)

Documents to be collected if Customer's Country of birth is U.S. but declare that he/ she are not a U.S. person

1. Certificate Of relinquishment of citizenship(Loss of nationality certificate); OR
2. Self certification for stating reasons for not having such a certificate despite relinquishment US.citizenship;OR
3. Self certification for stating reasons for not obtainingU.S. citizenship at birth.

3. The stock broker shall bring to the notice of client the features, risks, responsibilities, obligations and liabilities associated with securities trading through wireless technology/internet/smart order routing or any other technology should be brought to the notice of the client by the stock broker.
4. The stock broker shall make the client aware that the Stock Broker's IBT system itself generates the initial password and its password policy as stipulated in line with norms prescribed by Exchanges/SEBI.
5. The Client shall be responsible for keeping the Username and Password confidential and secure and shall be solely responsible for all orders entered and transactions done by any person whosoever through the Stock broker's IBT System using the Client's Username and/or Password whether or not such person was authorized to do so. Also the client is aware that authentication technologies and strict security measures are required for the internet trading/securities trading through wireless technology through order routed system and undertakes to ensure that the password of the client and/or his authorized representative are not revealed to any third party including employees and dealers of the stock broker.
6. The Client shall immediately notify the Stock broker in writing if he forgets his password, discovers security flaw in Stock Broker's IBT System, discovers/suspects discrepancies/ unauthorized access through his username/password/account with full details of such unauthorized use, the date, the manner and the transactions effected pursuant to such unauthorized use, etc.
7. The Client is fully aware of and understands the risks associated with availing of a service for routing orders over the internet/securities trading through wireless technology and Client shall be fully liable and responsible for any and all acts done in the Client's Username/password in any manner whatsoever.
8. The stock broker shall send the order/trade confirmation through email to the client at his request. The client is aware that the order/ trade confirmation is also provided on the web portal. In case client is trading using wireless technology, the stock broker shall send the order/trade confirmation on the device of the client.
9. The client is aware that trading over the internet involves many uncertain factors and complex hardware, software, systems, communication lines, peripherals, etc. are susceptible to interruptions and dislocations. The Stock broker and the Exchange do not make any representation or warranty that the Stock broker's IBT Service will be available to the Client at all times without any interruption.
10. The Client shall not have any claim against the Exchange or the Stock broker on account of any suspension, interruption, non-availability or malfunctioning of the Stock broker's IBT System or Service or the Exchange's service or systems or non-execution of his orders due to any link/system failure at the Client/Stock brokers/Exchange end for any reason beyond the control of the stock broker/Exchanges.

I/We have opened/have a beneficiary account with your CDSL depository along with a trading account for investment and trading purposes. It would be difficult for me/us to keep issuing separate cheques against your depository bills.

I/We, therefore authorize you to debit the charges payable towards operation of the above account. I/We are aware of the charges for operating the said account. Any such sum debited to my trading account shall be binding on me/us.

Thanking you,

Yours truly
